

USED CANDY BUCKET  
ON GREEK'S HEAD

Colored Man Chased by His Victim,  
Who Falls Exhausted—Assail-  
ant Caught.

Charged with assault, John Ray, col-  
ored, twenty-seven years old, was ar-  
rested by Detective Trumbo, of the Cen-  
tral office, last night after an exciting  
chase in the vicinity of Police Head-  
quarters.

Ray seized a candy bucket and struck  
the Greek on the head. Blood flowed  
profusely from a severe laceration of  
Chackalas' scalp.

After chasing his assailant for half a  
block he fell to the ground unconscious.  
Exhausted from loss of blood he was  
picked up and carried into Herbert's  
pharmacy opposite his store, and re-  
ceived the necessary treatment.

The colored man ran toward Police  
Headquarters, where Detective Trumbo  
captured him.

COMMISSION SELECTS SITE  
FOR MILITARY HOSPITAL

The commission appointed to select a  
site for the general military hospital for  
which an appropriation of \$100,000 was  
made at the last session of Congress has  
decided upon the tract of land lying on  
the west side of the Seventh street road  
about opposite the national cemetery  
known as the Battle Cemetery, a short  
distance above Brightwood.

The tract contains ninety-one acres  
and has a broad frontage on the Seventh  
street road and runs back to the line  
of Sixteenth street extended.

The owner of the land is ex-Senator

tary of the Treasury in the spring for  
25 per cent of the Government funds  
now on deposit with national banks.

LETTERS IN TRANSIT  
ROBBED OF STAMPS

Collectors Resort to Illegal Practices  
in Securing Specimens—Laws  
Is Cited Upon Them.

The stamp collecting craze has in-  
vaded the postal service much to its  
detriment, and to the irritation of its  
patrons.

The collectors are carrying on their  
work so aggressively that a warning has  
been issued by the Postmaster General,  
calling attention to the law providing

fine and imprisonment for those guilty  
of mutilating mail matter.

The matter was first called to the at-  
tention of the Postoffice Department by  
officials of foreign governments who  
complained that letters entering their  
country from the United States have  
had the stamps torn from the envelopes  
while in transit. The same trouble with  
foreign letters has been experienced in  
the United States.

CONTRACT AT WORKHOUSE  
AWARDED FOR \$800

The contract for changes in the rear-  
wing of the District workhouse will be  
awarded by the Commissioners to Knell  
& Burroughs, whose bid of \$800 was the  
lowest offer made to do the work.

When completed the addition will fur-  
nish quarters for the officers' dining  
room and kitchen.

WILL NAME THE STREET  
"CLIFFBOURNE PLACE"

"Cliffbourne" is the title chosen  
for the new portion of Nineteenth street  
which is to be included in the exten-  
sion of the street, as authorized by Con-  
gress, from Belmont road to Baltimore  
street.

Robert Lincoln O'Brien suggested the  
name. Captain Morrow said the cutting  
of the street as provided in recent legis-  
lation might tend to considerable confu-  
sion, and added that Mr. O'Brien's propo-  
sition possessed considerable merit. The  
Commissioners approved Captain Mor-  
row's recommendation, and now Mr.  
O'Brien will be requested to present a  
petition signed by a majority of the  
property owners to have the street named  
"Cliffbourne place."

The American Beauty  
Grown by Gude is conceded to be the  
finest rose of the species. 1214 F.
